Office laminator

Laminator - OPUS uniLAM A3 Basic

Catalogue number: 400287

The cheapest office laminator in our offer up to A3 format.

Description

UNILAM A3 BASIC - BASIC EQUIPMENT FOR EVERY HOME AND OFFICE

Lamination is a great way to **protect your documents from forgery, dust, stains and any damage** that could damage your documentation due to transportation, improper storage, everyday use or the passage of time. It is also a perfect **protection of the appearance of the paper** - laminating the sheet **prevents it from creasing or yellowing**, and also allows you to quickly **remove any impurities from the foil**. Thanks to the

UniLAM A3 Basic laminator, you will be able to enjoy the aesthetics and safety of your documents.

SIMPLICITY AND EFFICIENCY IS THE BASIS!

UniLAM A3 Basic is **an easy-to-use** device for laminating documents that will be useful in **every home or office**. Effortlessly laminate every important sheet of paper - even in **A3**! Heated rollers **precisely seal the sides of the film** so that there are no gaps through which dirt or moisture could get into the document.

LAMINATE DIFFERENT FORMATS

The UniLAM A3 Basic office laminator will allow you to laminate sheets of paper of **any size - from business cards to A3**. On the housing you will also find **input marks** of various formats to be able to properly center the film and prevent it from jamming.

TWO MODES AND FAST READY TO WORK

The laminator offers **two operating modes** adapted to laminating **the most popular pouches**. Set the temperature selector switch to the appropriate position - **80 µm** or **100/125 µm** - depending on the selected foil and laminate freely! The laminator **immediately reaches operating temperature** and is ready to work. The maximum lamination speed is **30 cm per minute** - this means that you can laminate an A4 sheet in less than 60 seconds!

ABS LOCKING SYSTEM

If the document jams inside the device or it is necessary to stop lamination due to, for example, incorrect insertion of the document into the slot, **use ABS button**. It will allow you **easy and safe removal of foil from the laminator**.

HOME AND OFFICE

Thanks to compact dimensions and simple handling, the UniLAM A3 Basic laminator can be successfully used both in homes and **offices** or **institutions. The protective foil will effectively protect office documentation, photos and other souvenirs that could be damaged, stained or destroyed in any way.**
