Professional binding machine

Binding equipment - OPUS Atlas 300 mono

Catalogue number: 643875

The OPUS Atlas 300 mono is a professional binding machine which binds and debinds documents up to 300 sheets of 80 g/m² paper.

Description

The OPUS Atlas 300 mono is a professional binding machine which binds and debinds documents up to 300 sheets of 80 g/m² paper. This makes it a perfect machine for the production of thesis books, photobooks, business books, ie. tenders, reports, proposals and much more. You can also bind A5, A4 and A3 landscape covers in the same machine. OPUS Atlas 300 is the only model on the market that may optionally include hot print stamping head – OPUS Imagepress. Foiling Head, Fonts, Foils & Frames are sold separately.

Attention!! The binding equipment can also work in the C-BIND system, however, it is necessary to use appropriate inserts, which are additional accessories.
