Hot print stamping equipment

Hot print stamping equipment - OPUS Goldpress 5

Catalogue number: 807369

Easy to use Goldpress 5 is perfect for hot print stamping and embossing for small or larger text and logos, for all types of covers.

Description

OPUS Goldpress 5

Easy to use Goldpress 5 is perfect for hot print stamping and embossing for small or larger text and logos, for all types of covers: hard, soft, plastic, leather, textured surfaces. The Goldpress 5 gives you a 100 x 200 mm surface to hot print stamp on. Now you can hot print stamp on the whole length of the covered channels from the METALBIND System through the openings on each side, letting you

move the channel to any position. With the GOLDCHANNEL base set* you can also hot print stamp on spines of C-BIND System.

*set sold separately
