Soft cover

Transparent soft covers - O.THERMOTOP Double Clear - 297 x 210 mm (A4 potrait)

Catalogue number: 210718

The soft transparent TERBIND covers.

Description

The soft transparent covers with the *easy open* laser cut on the front page for easy opening. The covers are made of biodegradable PET film, and the spine is made of a metal channel covered with colorful veneer, which ensures the stability of the binding and the aesthetic appearance. Thanks to the metal channel, it is possible to use any induction binding machine available on the market. A4 portrait format. The package contains 50 covers for 50 bindings. Custom formats and colours available on special order.
