## **Binding equipment - OPUS Atlas 190**

Catalogue number: 643356

Binding equipment which gives you possibility to bind and debind documents up to 190 sheets of 80 g/m<sup>2</sup> paper.

### **Description**

Binding equipment which gives you possibility to bind and debind documents up to 190 sheets of 80 g/m<sup>2</sup> paper. With a huge range of cover styles and sizes - this solidly built machine is great for binding pre-foiled covers or corporate printed covers with amazing simplicity. With no holes, glue or electricity you can bind a hardback book in just few seconds.

Attention!! The binding equipment can also work in the C-BIND system, however, it is necessary to use appropriate inserts, which are additional accessories.
