Wrapped metal channel

Wrapped metal channel - O.CHANNEL Classic SLIM 304 mm (A3+ landscape, A4+ portrait) - 10 pieces

Catalogue number: 647163

Metal channels covered with veneer for METALBIND system.channels covered with veneer.

Description

Wrapped metal channel for METALBIND system. To be used with soft or hard covers. Classic wrapping in appearance looks like a material made of linen. SLIM version - insted of powder coated sheet we used coated steel sheet which makes hot print stamping on the channels NOT possible. O.CHANNEL Classic SLIM channels also do not have limiters. To be used with METALBIND system covers with spine length 304 mm (A3+ landscape or A4+ portrait). The package contains 10 pieces of channels for 10 bindings. Custom formats and colours available on special order.
