### Description

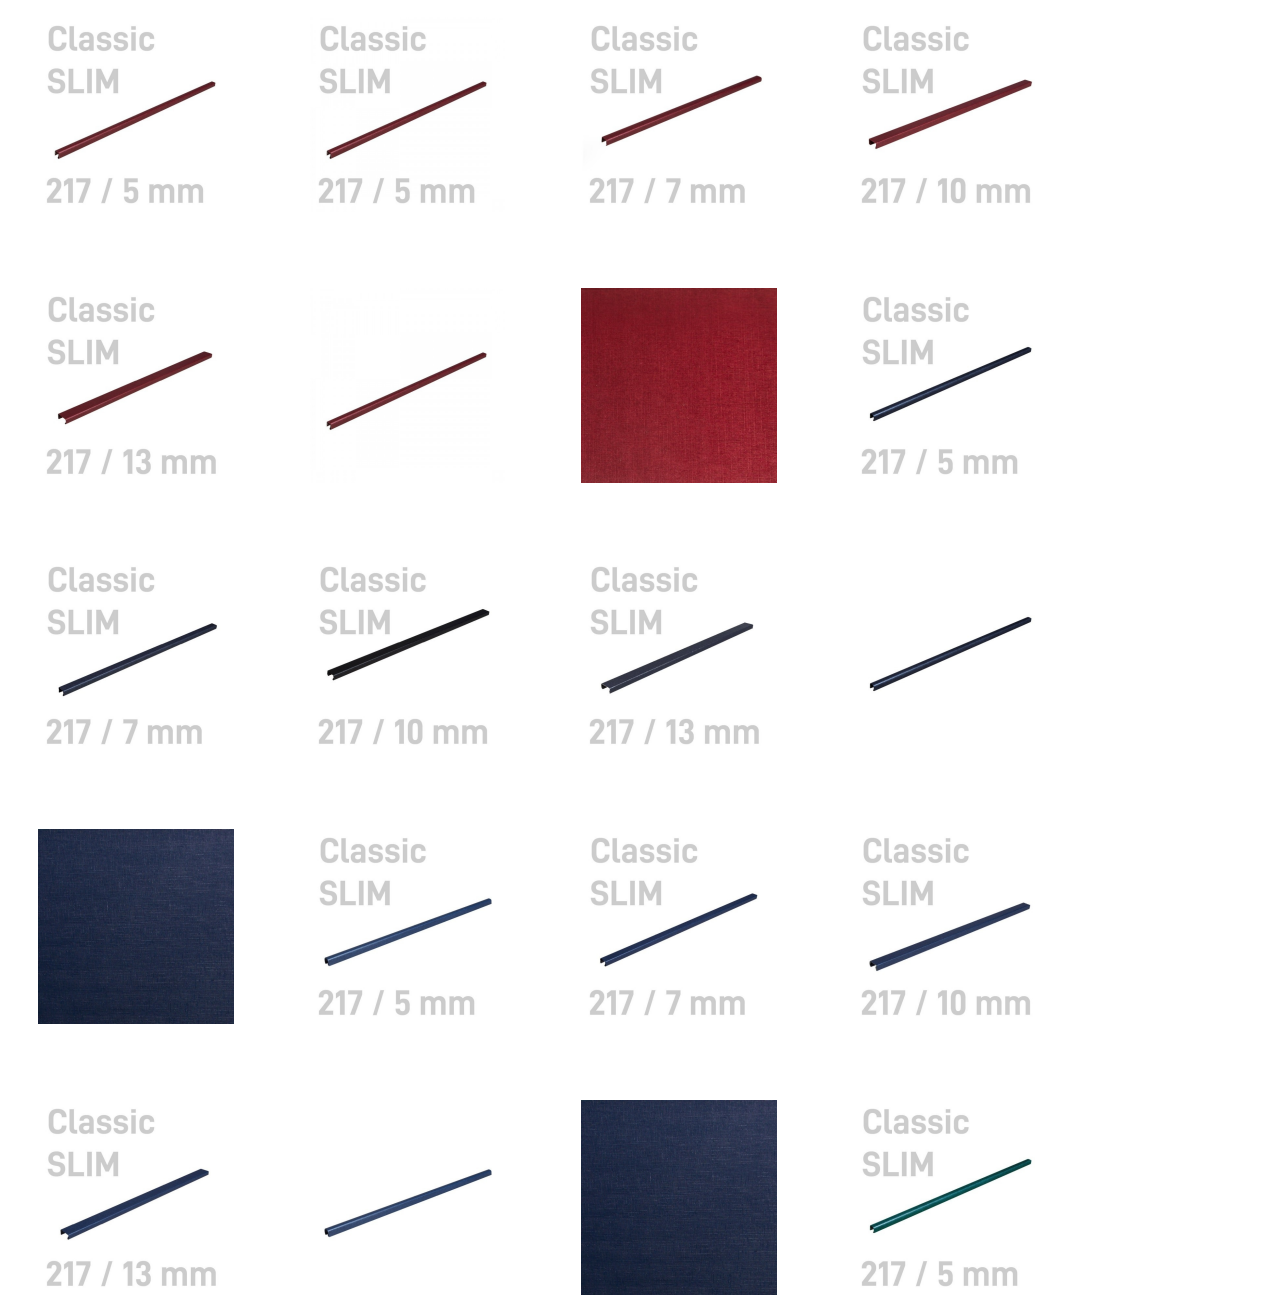

Wrapped metal channel for METALBIND system. To be used with soft or hard covers. Classic wrapping in appearance looks like a material made of linen. SLIM version - instead of powder coated sheet we used coated steel sheet which makes hot print stamping on the channels NOT possible. O.CHANNEL Classic SLIM channels also do not have limiters. To be used with METALBIND system covers with spine length 217 mm (A4+ landscape or A5+ portrait). The package contains 10 pieces of channels for 10 bindings. Custom formats and colours available on special order.
