Personal shredder

Shredder - Shredcat 8291 CC / 4 x 10 mm

Catalogue number: 000311

Compact desktop document shredder with automatic paper feed.

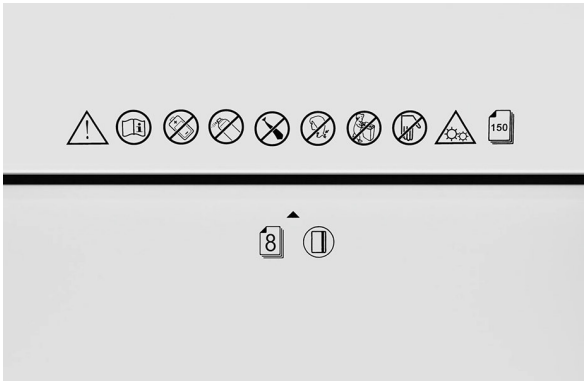
Description

Intuitive control at a glance

Push buttons for start, stop, and reverse ensure simple and convenient operation. A multi-colored LED complements this with color codes that indicate the operating status. A good combination for maximum control and a smooth workflow.

Full control

The removable cutting material container with a large viewing window ensures easy level control. Thanks to the integrated automatic shut-off, the device stops automatically when the container is full. This well-thought-out function enables comfortable, clean and efficient emptying.



High level of security

The comprehensive safety package ensures maximum protection during operation. A safety guard prevents injuries, while the device automatically shuts down as soon as the auto-feed flap is opened or the container is removed. These well-thought-out safety features guarantee carefree and reliable use.

Automatic for maximum efficiency

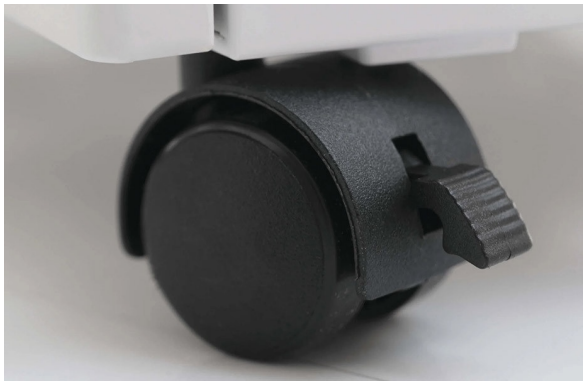
The automatic start/stop function with light barrier makes shredding easy and safe: The device starts automatically when paper is fed in and stops as soon as no more paper is detected. This smart function simplifies handling, saves valuable time and reduces energy consumption at the same time.

In and out

The precise mechanism pulls in paper cleanly and processes it reliably – without jams or interruptions. Even staples and cards are safely shredded. For smooth, safe, and efficient workflows in daily use.

Mobile and versatile

Stylish casters ensure maximum mobility. Thanks to the smooth-rolling wheels, the unit can be effortlessly moved between rooms. A well-designed and practical solution that combines functionality and flexibility in everyday office life.



Parameters
