Accessory

Attachment for cutting SSD disks type M.2 and pendrives

Catalogue number: 510559

Description

M.2 SSD and Flash Drive Cutting Attachment

Dedicated attachment for the **dataPREDATOR EMD**, designed for the safe and effective destruction of M.2 SSDs and flash drives **by cutting them in half**. It is an optional accessory that expands the device's functionality, enabling the destruction of compact media.

Note: This attachment cannot function standalone and requires the **dataPREDATOR EMD** destroyer.
