Description

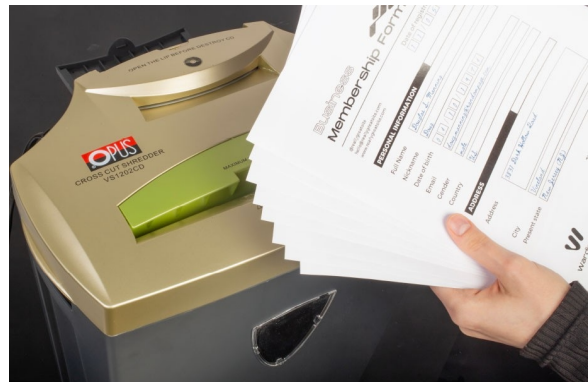

VS 1202 CD - EFFICIENT DESKTOP DOCUMENT SHREDDER

A document shredder is a **necessary piece of equipment** for every office, study, and even home. A high-quality paper shredder is a guarantee of comfortable and efficient work; it is also the certainty that all your data as well as confidential and secret information will be **effectively destroyed**. You can achieve this effect with **desktop shredder VS 1202 CD**,

which will allow you to shred not only paper documents, but compact discs or credit cards.

PAPER, CD/DVD AND PAYMENT CARD SHREDDER

The VS 1202 CD desk shredder is a universal device with which you can effectively shred up to **12 sheets of paper** (80 g/m²) or data carriers such as **compact discs** and **credit cards**. Destruction takes place in **strip-section**, which ensures a high level of secrecy (**P-4**). The shredder has a **shreds container** with a transparent window that allows you to control the filling of the bin and **handles** for convenient carrying, it is also **staple resistant**.

KEEP YOUR DATA SECURE

The **strip-sectional shredding system** used in the shredder (class **P-4** according to ISO/IEC 21964) is a guarantee of safe disposal of documents - after destruction they will become they **impossible to read, reproduce and use**. By destroying documents with the VS 1202 CD, you can be sure that all confidential information and personal data of you and your clients will be disposed of **in accordance with GDPR requirements**. Other security levels provided by the shredder: **Tx-4, Ex-3**.

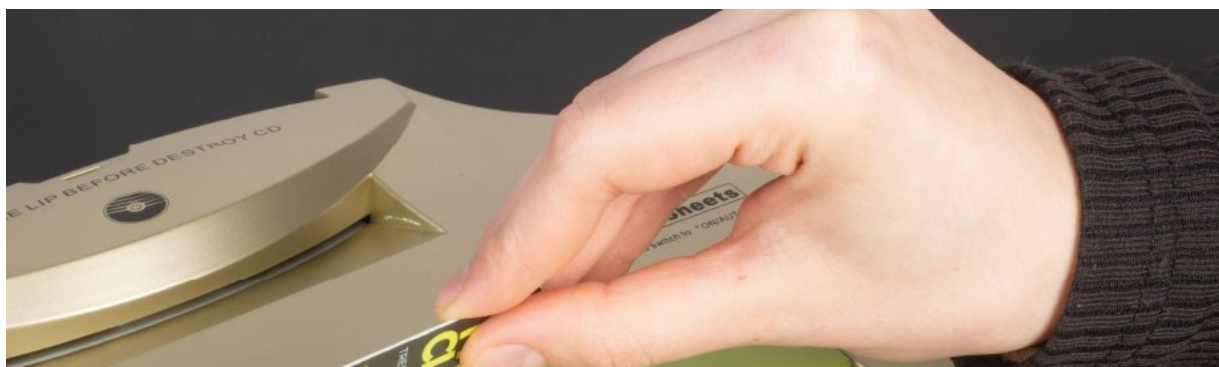

COMFORTABLE OPERATION AND EFFICIENT WORK

Thanks to the technological solutions used in the device, operation of the VS 1202 CD is simple and comfortable. The **START/STOP** system ensures that the document shredding process is **automatically** started when documents are inserted into the slot and stopped when shredding is complete. In the event of a document becoming jammed, you can easily **retract** it with the **REV** switch. What's more, the shredder's blades are **staple resistant**, allowing you to quickly shred entire stacks of documents without damaging your device.

CAPACIOUS SCRAP BASKET

The capacity of the shredder basket is **30 liters**, which, with a small volume of shreds (the area of a single shred is **4 x 35 mm**), means that the container does not have to be emptied too often. You can see the filling level through a transparent window. The shredder is also equipped with **a special stand for CDs**, thanks to which different waste will not be mixed up!
