## Shredder - OPUS CS 2208 CD / 2 x 12 mm

Catalogue number: 510375

A modern cross-cut paper shredder. Designed for shredding of confidential and secret documents (P-5 security level according to the ISO/IEC 21964 standard).

### Description

## BUSINESS SHREDDER CS 2208 CD - EFFICIENT SHREDDING OF UNNEEDED DOCUMENTS

A document shredder is an essential piece of equipment in every office, study or even at home. A high quality paper shredder guarantees comfortable and efficient work; it also ensures that all your data, confidential and

secret information is destroyed efficiently. You can achieve such an effect with the CS 2208 CD business shredder, which allows you to quickly shred not only paper documents but also CDs and credit cards.

## FUNCTIONAL DEVICE WITH UNIVERSAL USE

The CS 2208 CD is a paper, CD/DVD and payment card shredder. With its versatile use, compact size, simple operation and high document security class (P-5), this shredder will find its place both at home and in the office. The very good quality of the device, the durability of the blades and automatic protection against possible damage of the shredder will ensure long-term use, and as a result - a guarantee of data protection for a very long time!

## COMPACT DIMENSIONS

Thanks to its compact size, this shredder will fit into small spaces - you can easily slide it under a desk or position it anywhere where it won't get in the way. What's more, this shredder is equipped with wheels for easy and convenient movement. The paper feed slot is 220 mm wide and the CD/DVD or credit card slot is 122 mm wide.

## DATA SECURITY

The shredder cuts in a strip cut system and the cut-off size is 2 x 12 mm - making it one of the shredders with a very high security class P5 in accordance with ISO/IEC 21964. It is therefore ideal for destroying personal, financial, strategic or other documents containing confidential information. Other security levels provided by the machine: Tx-1, Ex-1, O-2.

## EFFICIENT AND SAFE OPERATION

With the CS 2208 CD paper shredder, you can shred up to 8 sheets of 80 g/m<sup>2</sup> or one CD or payment card at a time. The shredding blades are resistant to staples and paper clips, so you can shred entire document files quickly without damaging the machine.

## AUTOMATIC SAFEGUARDS

The paper and CD or card shredder has an automatic START/STOP system. This means that the document shredding process will be started as soon as the document is inserted into the slot and stopped when the shredding is finished. The automatic reverse function withdraws the shredded paper in the event of a jam and the automatic overheating protection prevents possible damage to the shredder in the event of heavy and intensive use.

## **ROOMY BIN, EASY SEPARATION**

With a shredding capacity of 22 litres, you can shred many documents without having to empty the hopper as often. You can see when it's full through the large window on the cabinet, so you won't miss a moment when the shreds need to be poured in. In addition, the shredder is equipped with an additional hopper for residual waste such as compact discs and credit cards.
