Business shredder

Shredder - OPUS TS 2215 CD / 4 x 38 mm

Catalogue number: 510405

A cross-cut paper shredder (4th security level P-4).

Description

TS 2215 CD - EFFICIENT BUSINESS DOCUMENT SHREDDER

A document shredder is **a necessary piece of equipment** for every office, study, and even home. A high-quality paper shredder is a guarantee of comfortable and efficient work; it is also the certainty that all your data as well as confidential and secret information will be

effectively destroyed. If you are looking for reliable equipment for document disposal, be sure to check out the **business shredder TS 2215 CD**, which, in addition to paper, also shreds compact discs and payment cards!

PAPER, CD/DVD AND CREDIT CARD SHREDDER

TS 2215 CD is a device with **universal use** - with it you can destroy not only paper, but data carriers such as compact discs or payment cards. The **Strip-section system** (level **P-4** according to ISO/IEC 21964) is a solution that will allow you to successfully protect personal data and confidential documents. The **LEDs** on the display will inform you about the status of the device. The shredder is equipped with a capacious basket, a separate **container for plastic waste** and **wheels**, it is also **staple resistant**, which makes it much easier and faster work.

KEEP YOUR DATA SECURE!

An effectively shreded document is one that, once shreded, becomes **unrecoverable, unreadable, and useless**. You can achieve this effect with the TS 2215 CD business shredder, with which you can efficiently dispose of documents **in accordance with GDPR requirements**. Destruction takes place in **strip-section system**, which ensures a high level of secrecy with **small volume of shreds** (4 x 38 mm). The security levels provided by the TS 2215 CD shredder are: **P-4, Tx-1, Ex-2,**

O-1.

COMFORTABLE AND SAFE WORK

Thanks to the technological solutions used, the operation of the TS 2215 CD shredder is simple and comfortable. The automatic **START/STOP** system ensures that the document shredding process is started when documents are inserted into the slot and stopped when shredding is complete. You can run a **document rollback** at any time, should the need arise. **paper jam** or **engine overheating** will be indicated by **diodes on the display**.

EFFICIENT PAPER SHREDDING

With the shredder, you can shred up to **15 sheets** of **80 g/m²** paper at a time. The cutting knives are made of **high quality material**, thanks to which they are **resistant to office staples** - so you can quickly dispose of stapled documents without putting in extra work in separating the pages!

CAPACITY WASTE BIN AND SEPARATE PLASTIC WASTE CONTAINER

The capacity of the shredder bin is **28 liters**. You can see the filling level through the large window on the housing, and when the basket is

full, the appropriate diode will light up. In addition, the shredder is equipped with **additional basket for CD or credit card remnants** - you will receive sorted waste right away!

ADVANTAGES OF THE TS 2215 CD Shredder

- possibility of shredding paper, compact discs, payment cards
- wheels for easy movement
- possibility to cut 15 sheets of paper (80 g/m²) at a time
- easy sorting of waste
