Catalogue number: 300211

Small paper trimmer, with a plastic clamp.

Description

HOBBYCUT A4 trimmer cutter - DAILY PAPER CUTTING

Trimmer or **paper guillotine** are a great alternative to other cutting tools. Thanks to uncomplicated operation, such a device will be successful in **office** and in **home**, and solidly made equipment will guarantee you **unmarked, evenly cut paper** in the appropriate format.

CUT AESTHETICS AT THE HIGHEST LEVEL

HobbyCUT A4 is a small device designed to cut paper at home or in offices. With one stroke of the cutter arm, you will cut up to **5 sheets of paper (70 g/m²)**, and the result will be a straight and fray-free cut. The **markings and rulers** applied on the basis of the cutter will allow you to prepare beautiful **flyers, invitations, greeting cards, business cards** or **documents of various formats**.

DESIGNATIONS OF FORMATS AND MEASUREMENTS

The **320 x 150 mm** table has practical markings of popular **formats, millimeter and inch scale**, and also a **protractor** to cut paper at an angle.

SAFE OPERATION AND MOBILE DESIGN

The HobbyCUT A4 scissor cutter is equipped with a bar protecting against cuts during operation. The strip is transparent, so it will not prevent you from precisely placing the paper on the base of the device. In addition, small size of the device and comfortable handles make it easy to safely carry and store the cutter.

FOR HOBBYS AND FOR PROFESSIONALS

The HobbyCUT A4 scissor cutter will be widely used in your home, office and anywhere where letters, documents, printouts, leaflets or business cards are prepared. Thanks to the cutter you can freely cut, cut or cut the paper, keeping a perfectly straight cutting line. Such a tool is irreplaceable help in decorating albums, cutting photos, creating cards and implementing other projects where aesthetics are important.
