Catalogue number: 300143

Light compact office A4 trimmer/guillotine.

Description

EUROCUT A4 SCISSOR CUTTER – EFFICIENT CUTTING AT HOME AND IN THE OFFICE

A paper trimmer or guillotine is an excellent alternative to other cutting tools. Thanks to its simple operation, such a device will work well in the office and at home, while the solidly constructed equipment will guarantee undamaged, evenly cut paper in the correct format. **The euroCUT A4 scissor cutter** will be perfect as your reliable handy cutting tool.

PRACTICAL CUTTER FOR EVERYDAY USE

EuroCUT A4 is an **irreplaceable aid** for everyday paper cutting. You can easily cut up to 8 sheets (70 g/m^2) in one stroke, which you can do completely safely thanks to the transparent blade guard. The portable design, solid workmanship, and rulers on the cutter's base allow you to easily prepare leaflets, invitations, cards, business cards, and other documents at home or in the office – anything that requires precise and aesthetic cutting.

MEASUREMENTS AND FORMAT MARKINGS

The 330 x 260 mm worktable has been enriched with practical markings for popular formats: A6, B6, A5 and A4, as well as millimeter and inch scales. The movable format limiter will help you position the paper with the highest precision, resulting in a perfectly trimmed document.

SAFE AND TROUBLE-FREE OPERATION

The euroCUT A4 cutter is equipped with a special guard to protect against cuts during operation. The guard should be installed before use using two screws located on the cutting bar. Additionally, the cutter knife can be secured by immobilizing it during transport.

LIGHT AND MOBILE

The cutter is lightweight and compact, making it portable and easy to store. A handle at the base further facilitates transport.

FOR HOBBYISTS AND PROFESSIONALS

The euroCUT A4 scissor cutter will find a wide range of applications in your home, office, and anywhere you prepare letters, documents, printouts, leaflets, or business cards. Thanks to the cutter, you can freely cut, trim, or trim paper while maintaining a perfectly straight cutting line. This tool is indispensable for decorating albums, cutting photos, creating cards, and implementing other projects where aesthetics are important.
